Dear Valued Customer,

Please find attached an application form to change your current NPORS registration to the NPORS CSCS Blue Competent Operator Registration. To change the registration there is a charge of £25 + VAT (£30.00) which is payable by card or BACS online payment. The registration will not be processed until payment in full has been received.

If there are any queries on the paperwork, a 14-day query will be raised. Please note, if the query is not resolved in time the application will be cancelled and payment is non-refundable.

Requirements for the application:

- CSCS Online HS&E Test (Touch Screen) – completed within the last 2 years of date of application.
- Copy of (S)NVQ confirming the VQ Title and relevant Units for the subjects you hold.
- Payment information contact number and email address.
- Address information for where the registration is to be returned.
- You must have a current in-date NPORS Red Trained Operator registration or have expired within the last 12 months.

Please Note: If you hold a current NPORS traditional registration, it must be currently in-date to be able to apply to upgrade to the Blue Competent Operator Registration.

If you have any question regarding the application, please contact NPORS on 01606 351240 or info@npors.com ensuring you quote your registration.
